ABOUT THE EVENT

Event Name Ameripolitan Music Awards 2024

**Event
Background**

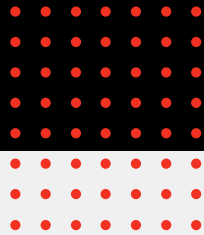

The Ameripolitan Music Awards was created in 2013 by internationally renowned artist, Dale Watson, to benefit, acknowledge and celebrate artists who work in music with prominent roots influence. This includes the genres of Honky Tonk, Rockabilly, Western Swing and Outlaw Country Music.

**Event
Purpose**

The Ameripolitan Music Awards Weekender brings together a vast community of international musicians, artists, creators and their supporters for a weekend of live performances, showcases and an awards ceremony that honors those voted to be working at the top of their game!

OUR HISTORY

Ameripolitan, this thought-provoking word, is intended to be an invitation to discuss the future of the music that is important to so many of us.

Who would've thought that a discussion with a couple friends in a smokey old bar ten years ago would have led to a whole movement in country roots music?

In February of 2014 the first Ameripolitan Awards took place in Austin Texas. Ray Price was presented an award for lifetime achievement and legend Johnny Bush received "Founder of the Sound" award. It was the beginning of a new trend in music and has been consistently evolving ever since.

In 2023, The Ameripolitan Music Weekender had a hugely successful event hosted at The Guesthouse at Graceland and Hernando's Hide-A-Way in the heart of the famed music city, Memphis, TN.

They welcomed 100+ global music artists, DJs, Music Venues & Festival Organizers working in the Ameripolitan genre. They honored legends Johnny Rodriguez and The Adams Brothers and presented 17 awards to an array of artists making legendary music today.

The event drew an enormous amount of people from all over the world including countries throughout Europe, Canada, Scandinavia, and Australia.

We foresee this event to be a sold-out affair with an expected attendance of over 2500 people, all of whom actively seek to engage with and support this event and our roots music community. It offers a unique opportunity to bring commerce to independent music venues in Austin, and a way to give back to the people that help give platform to the music we love.

EVENT HIGHLIGHTS

ARTIST SHOWCASES

The weekend allows us to showcase multiple artists working under the Ameripolitan genre umbrella.

With so many artists from the community all in one place at the same time, we are able to showcase one-off collaborative performances that aren't seen anywhere else. This also invites the legendary late night lobby jams we've come to love.

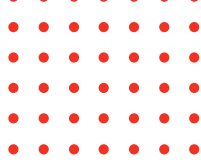

Independent Makers + Specialist Vendors

Ameripolitan offers space for selected artists and artisans to sell their wares during the festival. This includes vendor opportunities for people who work in bespoke western fashion, leather goods, rare vinyl, vintage fashion, textiles, photography, jewelry and more.
